In line with the most recent government announcement on combating the COVID 19 crisis on 27<sup>th</sup> March 2020, all Albany Stores and associated stores will be fully closed with immediate effect until the trading ban is lifted.

Please keep an eye on our website and social media pages for updates and information. We will be posting up project ideas and some décor hint's & tips and video guides to help you plan your décor project. We also have a facility on our website for you to order colour cards.

We look forward to serving you when we all emerge from this crisis and resume normal life and service.

In the meantime please isolate and stay safe and well for the benefit of all in our country.
